Mr. C. V. Iyyu *(Kunnamkulam):* May I know whether there has been no request from the Home for the Deaf and the Dumb in Kunnamkulam for a monthly grant for building rent?

Rao Sahib I. N. Menon *(Director of Public Instruction):* I do not think I have received an application for building rent. I did receive a request from the Manager that the institution may be treated both as a teaching institution as well as a residential one and that he may be paid *per capita* rent grant for the pupils in residence.

Mr. C. R. Iyyunni *(Trichur-South):* May I know whether other educational institutions have applied for rent grant?

Rao Sahib I. N. Menon *(Director of Public Instruction):* It is impossible to say whether I have received or not. If the hon'ble member wants to have a list of institutions which have applied for rent grant in the course of the last so many years, it is impossible for me to say. I can only give a list of institutions which are in receipt of grants.

Mr. C. R. Iyyunni *(Trichur-South):* May I know whether in the matter of granting rents or grants like that the question whether the Manager of the institution is in a position to pay it himself or from voluntary contributions from outside without Government help is considered?

Rao Sahib I. N. Menon *(Director of Public Instruction):* That is taken into consideration.

Mr. E. Ikkanda Warriar *(Cheruthuruthi):* What is the principle followed by the Government in fixing the amount of grant to these institutions?

Rao Sahib I. N. Menon *(Director of Public Instruction):* There are two rates. One is Rs. 1—4—0 and the other is Rs. 2—8—0. It partly depends upon the nature of the locality and partly on other conditions. For instance, there are some special communities which find it extremely difficult to educate their children. They cannot expect any sort of help from their own community and even from the parents of the children.
